RE: 511 Contract

Please find attached a finalized 511 contract (pdf file) from PaDOT for your signature. The Word version highlights changes to the contract which some of you signed prior to PaDOT altering the document.

PTA Counsel has been in contact with attorneys from the Department regarding the language added under 5(b) and has been assured that the provision does not preclude payment or excuse the Department for non-payment for services rendered by you.

I would encourage you to sign the attached document at your earliest convenience in order that you may receive payment for the switch translation work necessitated by the 511 program.

The address to return this contract is:

Pennsylvania Department of Transportation Bureau of Infrastructure and Operations
Attn: Chris de Leon
400 North Street, 5th Floor
Harrisburg, PA 17120

Feel free to call the PTA office with questions or concerns.
