RE: Lifeline and Link-Up America Low Income Eligibility Guidelines for 2010

A couple of you have inquired as to when the Lifeline Income Guidelines would be sent to the membership. Typically, they are revised the end of January.

However, on December 19, 2009, the President signed the Department of Defense Appropriations Act, which included a provision affecting the poverty guidelines. As a result, the 2009 poverty guidelines will remain in effect until at least March 1, 2010 – see <http://aspe.hhs.gov/poverty/09extension.shtml>. (Congress has taken action to keep the 2009 poverty guidelines in effect through the remainder of 2010)

Please continue using the 2009 Link-Up America and Lifeline Low Income Eligibility Guidelines until you hear from PTA.

Please remember the Lifeline 135 program requires an individual to meet the following requirements:

- ❖ Household income must be at or below 135% of the federal poverty level,
- OR**
- ❖ Must be enrolled in one of the programs listed on the attached, **AND**
- ❖ Cannot be a dependent for federal income tax purposes, unless he or she is 60 years of age or older

If you have questions on the attached document, please contact PTA.
