RE: Vendor Presentations and PTA Spring Conference

PTA's Engineering Committee has scheduled Vendor Presentations on April 13 & 14, 2010, at The Penn Stater Conference Center in State College, Pennsylvania. The dates were chosen in coordination with the PTA Spring Conference being held April 14 & 15 at the same location (the Spring Conference is a separate meeting with a separate registration).

Vendor Presentations are typically on a specific type of equipment or service (2009 was VDSL, VDSL Bonding & FemtoCell Technology). Spring Conference issues can be on any given issue related to the telecommunications industry.

We are looking for topics of interest from the members for both meetings. In addition to seeking suggestions on topics, please let PTA know if you would be interested in attending the Vendor Presentations (this is not registration – just a survey of interest). Please forward any suggestions and/or interest in participation to Trudy Todd at trudy.todd@patel.org.

_____ Yes, I would be interested in participating in a Vendor Presentation Seminar.

The following are subjects I would like to see discussed:

| <u>Spring Conference</u> | <u>Vendor Presentations</u> |
